RE: New Vision America Fund  
FEC ID C00375691

Dear Ms. Philips:

This letter responds to your letter of January 31, 2003 in reference to our October Quarterly Report (7/1/02 to 9/30/02).

Your letter raised a question about receipt of a corporate contribution from Superior Quality Control, Inc. in the sum of \$500.00. We have enclosed a complete copy of the report in question, showing that we recognized this problem within the reporting period and made a full refund to Superior Quality Control, Inc. on September 30, 2002. We have also enclosed a copy of the check by which this refund was made.

The check was deposited by mistake by a new employee of ours. The error was caught when we were closing out the period and the refund was made immediately upon our realization of the problem. Follow-up training has been conducted with the new employee in question so as to avoid any such problems in the future.

If you should have any further questions about the enclosed, please don't hesitate to contact us at your earliest convenience. Thank you for your continued help and understanding.

Sincerely,

*Vicki L. Day*
